

## Description

Precision Brand Rectangle Key Steel 5/16x3/8" Imperial Steel is manufactured from C1018 Steel and finished in silver. It is designed to offer accuracy and durability for technical applications in mechanical assemblies and secure fastening processes. The key steel includes hardware and is measured in Imperial units, providing a practical and reliable solution for trade professionals seeking dependable performance in precise assembly tasks.

## Features

- Constructed from C1018 steel for robust performance
- Silver finish provides a clean and professional look
- Imperial sizing enables accurate measurement and fitting
- Hardware included for complete assembly and installation
- Engineered for secure and reliable applications
- Precision machined for quality and performance
- Manufactured with tight tolerances for secure alignment
- Built to meet professional technical specifications

**Product Code: KS5/16X3/8**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Silver
<b>Construction</b>	
Product Material 1	C1018 Steel

## Weights

Product Weight (grams)	180.67
Product Weight (kg)	0.18067

## Dimensions

Product Height (IN)	0.375
Product Width (IN)	0.3125
Product Length (IN)	12"

## Specifications

Unit of Measure	Imperial
