

Description

Precision Brand Square Key Steel 5/16x5/16" Imperial Steel is manufactured from C1018 steel with a silver finish to deliver accurate and reliable keying solutions. The product features precise dimensions and manufactured hardware that ensure straightforward integration in mechanical assemblies. Its design optimises alignment and ease of installation, making it a practical choice for trade professionals who rely on precision and dependable performance in their everyday applications.

Features

- High-quality C1018 steel construction for precise performance
- Precision Brand design for engineered reliability
- Silver finish provides a clean and bright appearance
- Compact key size using imperial measurements
- Included hardware supports simple installation
- Engineered for controlled indoor applications
- Integrates well with existing precision assemblies
- Trusted quality backed by Precision Brand expertise

Product Code: KS5/16X5/16

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	150.6
Product Weight (kg)	0.1506

Dimensions

Squared (IN)	5/16 SQ
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
