

Description

Precision Brand Rectangle Key Steel 5/16x7/16" Imperial Steel is made of C1018 Steel and finished in silver, providing a dependable solution for precise keying tasks. Its robust construction and included hardware support accurate positioning and secure mechanical connections. Tailored for trade professionals, this key steel offers a practical design engineered to facilitate consistent system assembly and enhance overall performance in various technical applications.

Features

- Precision-engineered rectangle key crafted from C1018 steel
- Accurate 5/16 x 7/16 inch dimensions for secure assembly
- Polished silver finish enhances identification and uniformity
- Included hardware streamlines installation process
- Consistent manufacturing assures tight tolerances and performance
- Built from reliable standard imperial unit components
- Ideal for precise mechanical alignment and secure fits
- Made by Precision Brand ensuring quality internal consistency

Product Code: KS5/16X7/16

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	210.92
Product Weight (kg)	0.21092

Dimensions

Product Height (IN)	0.4375
Product Width (IN)	0.3125
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
