

Description

Precision Brand Square Key Steel 5/32x5/32" Imperial Steel is a robust, precisely engineered component crafted from C1018 Steel with a silver finish. It is designed for secure fastening and alignment, offering reliable performance for trade professionals engaged in precise machining tasks and equipment repairs. The unit comes complete with hardware and uses Imperial measurements to ensure accurate component matching across various technical applications.

Features

- High-quality C1018 steel construction for robust durability
- Precision engineered to meet exact size specifications
- Square key design ensures reliable and repeatable fits
- Silver finish provides consistent professional appearance
- Works with standard imperial measurements for straightforward integration
- Tailored for precise applications with included hardware
- Engineered for indoor use with focus on functionality
- Maintains consistency through meticulous manufacturing processes

Product Code: KS5/32X5/32

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	37.65
Product Weight (kg)	0.03765

Dimensions

Squared (IN)	5/32 SQ
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
