

Description

Precision Brand Rectangle Key Steel 5/8x1" Imperial Steel is a silver key steel manufactured from C1018 Steel and designed for precise mechanical applications. It offers integrated hardware that ensures secure and reliable assembly, meeting the demands of trade professionals in various workspaces. The component is calibrated to Imperial measurements and built with a focus on effective functionality and durability for internal projects.

Features

- Constructed using durable C1018 steel for precise operations
- Silver finish offers clear and clean product presentation
- Engineered key steel ensures accurate function in applications
- Included hardware supports reliable installation and use
- Precision Brand ensures high quality technical performance
- Measured in Imperial units for straightforward specification interpretation
- Robust design supports secure use in diverse indoor settings
- Engineered with practical features for efficient performance

Product Code: KS5/8X1

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	963.9
Product Weight (kg)	0.9639

Dimensions

Product Height (IN)	1
Product Width (IN)	0.625
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
