

## Description

Precision Brand Square Key Steel 5/8x5/8" Imperial Steel is produced from robust C1018 steel and finished in a silver colour. It is engineered to provide a secure, precise connection in mechanical assemblies, with a refined square design that enhances alignment and performance in critical applications. Its suitability for indoor use and inclusion of hardware support efficient, repeatable outcomes for trade professionals operating in technical installations.

## Features

- Constructed from high-quality C1018 steel for durability
- Silver finish provides a clean professional appearance
- Designed for secure locking and reliable engagement
- Precision engineered for consistent key performance
- Hardware included for complete ready for use functionality
- Measures in Imperial scale for precise component matching
- Crafted to offer longevity in demanding working conditions
- Delivers consistent performance with a trusted brand name

**Product Code: KS5/8X5/8**

## Specifications

|                     |             |
|---------------------|-------------|
| Outdoor Use         | No          |
| Indoor Use          | Yes         |
| Hardware Included   | Yes         |
| <b>Appearance</b>   |             |
| Product Colour      | Silver      |
| <b>Construction</b> |             |
| Product Material 1  | C1018 Steel |

## Weights

|                        |         |
|------------------------|---------|
| Product Weight (grams) | 602.38  |
| Product Weight (kg)    | 0.60238 |

## Dimensions

|                     |        |
|---------------------|--------|
| Squared (IN)        | 5/8 SQ |
| Product Length (IN) | 12"    |
