

Description

Precision Brand Rectangle Key Steel 7/16x5/8" Imperial Steel is manufactured from C1018 steel with a durable silver finish. It provides precise, reliable performance with its accurately engineered dimensions and pre-included hardware, making it suitable for technical assemblies and secure, indoor applications. The key steel offers robust functionality for trade professionals requiring consistent measurements and dependable construction, ensuring ease of use and integration in various structured systems.

Features

- Constructed from C1018 steel for durable reliability
- Precision machining delivers exact imperial dimensions for secure fit
- Silver finish offers a professional non-reflective aesthetic
- Sized at 7/16 x 5/8 inch for consistent measurements
- Compact design supports efficient space-saving technical installations
- Integrated hardware simplifies assembly and system integration
- Engineered to meet precise specifications for demanding tasks
- Trusted design from PRECISION BRAND for technical professionals

Product Code: KS7/16X5/8

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	421.85
Product Weight (kg)	0.42185

Dimensions

Product Height (IN)	0.086
Product Width (IN)	0.4375
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
