

## Description

Precision Brand Square Key Steel 7/16x7/16" Imperial Steel is engineered from C1018 steel with a silver finish and includes the necessary hardware for secure assembly. It is designed to offer precise mechanical support in applications that require accurate keying and alignment in machinery and equipment. Trade professionals benefit from its robust construction and consistent reliability, which aid in maintaining exact component fit and enhancing the overall performance of technical installations.

## Features

- Precision key steel manufactured from C1018 steel
- Silver finish offers clear, crisp appearance
- Intended for indoor applications with robust hardware included
- Precision brand guarantees high-quality construction and reliability
- Size dimensions measured accurately in the Imperial system
- Robust construction improves long-term operation and performance quality
- Hardware components precisely manufactured for secure fitting
- Engineered for precise alignment and efficient engagement

**Product Code: KS7/16X7/16**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Silver
<b>Construction</b>	
Product Material 1	C1018 Steel

## Weights

Product Weight (grams)	295.2
Product Weight (kg)	0.2952

## Dimensions

Squared (IN)	7/16 SQ
Product Length (IN)	12"

## Specifications

Unit of Measure	Imperial
