

Description

Precision Brand Square Key Steel 7/8x7/8" Imperial Steel is engineered from C1018 steel to deliver reliable strength and precise performance. It is designed for accurate alignment and secure retention in various mechanical applications fundamental to trade professionals. Its robust build and included hardware support consistent operation during technical tasks, offering a practical solution for indoor use across demanding processes in industrial and trade environments.

Features

- Precision engineered with durable C1018 steel
- Finished in silver for a clean professional look
- Manufactured in Imperial dimensions for exact key standards
- Includes essential hardware for straightforward key installation
- Trusted design from Precision Brand engineered for exactness
- Designed for indoor use through precise manufacturing
- Modular design simplifies integration into existing configurations
- Offers consistent performance with engineering simplicity and quality

Product Code: KS7/8X7/8

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	1,180.72
Product Weight (kg)	1.18072

Dimensions

Squared (IN)	7/8 SQ
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
