

Description

Precision Brand Square Key Steel 9/16x9/16" Imperial Steel - 7 Piece is a robust component made from C1018 Steel, designed to facilitate secure alignment in various assembly tasks. Its precise dimensions make it suitable for indoor applications where accuracy is essential. The included hardware ensures a straightforward installation while its dependable construction supports consistent performance in effective system setups and practical configurations for trade professionals.

Features

- Made from quality C1018 steel for dependable performance
- Features a silver finish for a professional appearance
- Engineered in imperial measurements for precise fitting
- Part of a complete 7-piece precision key set
- Built for indoor use with integrated hardware components
- Square design enhances stability and conventional key engagement
- Precision engineering ensures reliable operation every time
- Precision Brand component designed for secure mechanical linkage

Product Code: KS9/16X9/16

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Silver
Construction	
Product Material 1	C1018 Steel

Weights

Product Weight (grams)	489.89
Product Weight (kg)	0.48989

Dimensions

Squared (IN)	9/16 SQ
Product Length (IN)	12"

Specifications

Unit of Measure	Imperial
