

## Description

Precision Brand Square Key Steel 9/32x9/32" Imperial Steel is a durable key constructed from C1018 steel in a silver finish and includes essential hardware. It is engineered for compatibility with imperial measurements and is ideal for precise assembly tasks, offering reliable performance and clear dimensions. Trade professionals benefit from its robust design and well-defined specifications, ensuring accurate alignment and efficient connections in a variety of technical applications.

## Features

- Constructed using C1018 steel for robust strength
- Precise dimensions in Imperial units for reliable fit
- Clear silver finish enhances visual identification
- Includes matching hardware for ready installation
- Engineered for reliable performance in key applications
- Compact design simplifies handling and secure storage
- Quality construction supports accurate key alignment
- Engineered for durability and long service life

**Product Code: KS9/32X9/32**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Silver
<b>Construction</b>	
Product Material 1	C1018 Steel

## Weights

Product Weight (grams)	122.02
Product Weight (kg)	0.12202

## Dimensions

Squared (IN)	9/32 SQ
Product Length (IN)	12"

## Specifications

Unit of Measure	Imperial
