

Description

Colson 100mm Bolt Hole Swivel P1 Series Castor 100kg is a precision castor engineered for efficient mobility and durability. Featuring a grey, silver and white design, its polypropylene wheel core and rubber wheel ensure reliable wear resistance and smooth operation. The carbon steel precision bearing supports consistent movement and operational stability. With a bolt fitting for secure installation, this castor provides a robust, practical solution for trade professionals seeking technical advantages in material handling applications.

Features

- Precision castor with robust bolt hole fitting
- Polypropylene wheel core supports consistent durability
- Rubber wheel ensures smooth operation on various surfaces
- Carbon steel precision bearing facilitates controlled movement
- Durable plastic housing withstands demanding service conditions
- Engineered for smooth swivel and agile directional control
- Versatile castor for indoor and outdoor use
- Engineered bolt installation enables straightforward retrofitting

Product Code: P11A22K100

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Precision Bearing
Raceway Type	Single
Fitting Type	Bolt Hole

Appearance

Product Colour	Grey/Silver/White
----------------	-------------------

Construction

Wheel Core Material	Polypropylene
Wheel Material	Rubber
Housing Material	Plastic
Bearing Material	Carbon Steel

Dimensions

Product Length mm	1500
Product Width mm	60
Product Height mm	98
Wheel Diameter	100
Tread Width mm	30
Finish Height mm	134
