

Description

Colson 100mm Bolt Hole Brake P1 Series Castor 100kg offers reliable mobility solutions for professional applications. This castor integrates precision bearings with carbon steel, a robust bolt fitting, and a durable combination of rubber wheels and a polypropylene core housed in plastic. It facilitates controlled movement and dependable total braking, while the grey, silver and white finish provides a practical, clean appearance that benefits trade professionals in managing equipment transport and stability.

Features

- Polypropylene wheel core supports durable rubber wheel design
- Precision carbon steel bearings ensure smooth rotation
- Robust bolt hole fitting for secure assembly
- Total brake system provides full wheel lock
- Single raceway design evenly distributes operational loads
- Plastic housing offers lightweight yet durable wheel support
- Colour scheme in grey, silver and white adds modern appeal
- Durable construction and robust design minimise maintenance requirements

Product Code: P11W22K100

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Precision Bearing
Raceway Type	Single
Brake Type	Total
Fitting Type	Bolt Hole

Dimensions

Product Length mm	985
Product Width mm	695
Product Height mm	134
Wheel Diameter	100
Tread Width mm	30
Finish Height mm	134

Appearance

Product Colour Grey/Silver/White

Construction

Wheel Core Material	Polypropylene
Wheel Material	Rubber
Housing Material	Plastic
Bearing Material	Carbon Steel
