

Description

Colson 125mm Bolt Hole Brake P6 Series Castor 100kg is a grey indoor castor engineered with durable materials including a polyamide 6 housing, polypropylene wheel core and a rubber wheel, paired with steel precision bearings. It features a single raceway design and a total brake mechanism for controlled movement. Its practical bolt hole fitting supports reliable performance and precise manoeuvrability, providing consistent technical advantages for trade professionals in indoor applications.

Features

- Durable polypropylene wheel core for reliable performance
- Rubber wheel ensures secure grip on varied surfaces
- Polyamide housing built for robust strength
- Precision steel bearing delivers smooth manoeuvring
- Total brake system provides full stopping power
- Bolt hole fitting offers straightforward installation
- Designed exclusively for indoor professional use
- Engineered for reliable control and steady performance

Product Code: P61TP74K125

Specifications

Outdoor Use	No
Indoor Use	Yes
Bearing Type	Precision Bearing
Raceway Type	Single
Brake Type	Total
Fitting Type	Bolt Hole

Dimensions

Product Length mm	920
Product Width mm	550
Product Height mm	162
Wheel Diameter	125
Tread Width mm	32
Finish Height mm	162

Appearance

Product Colour Grey

Construction

Wheel Core Material	Polypropylene
Wheel Material	Rubber
Housing Material	Polyamide 6
Bearing Material	Steel
