

Description

Proval Shintoe Shoe/Boot Cover with PVC Sole is a disposable boot cover made from polypropylene. It features a non-slip sole, water resistant and dust/dirt resistant surfaces, and a lint free design that supports a safe and hygienic work setting. The elastic ankle and elasticated top provide secure fit and reliable performance during maintenance, cleaning, food processing, pharmaceutical, manufacturing, and medical tasks. Its food safe and clean room compatible composition offers practical benefits in regulated environments.

Features

- Durable polypropylene material provides reliable boot cover protection
- Disposable design ensures convenient single-use application
- White finish offers a clean, professional appearance
- Non slip sole enhances traction on varied surfaces
- Elastic ankle and top provide secure boot cover fit
- Water resistant design repels moisture during operational tasks
- Dust and dirt resistant finish minimises debris transfer
- Food safe material suitable for hygiene critical areas
