

Description

Proval Surefoot PP Shoe Cover is a blue polypropylene disposable shoe cover designed for a variety of professional applications, including medical, laboratory, hospital, pharmaceutical, emergency services, forensic, diagnostic and dental settings. The shoe cover incorporates an elasticated top and a non-slip sole, delivering secure and comfortable wear while minimising contamination risks. Its breathable, lint free and dust/dirt resistant properties support the protection of floors, carpets and tiles in clean room and maintenance contexts.

Features

- Blue polypropylene construction offers reliable lightweight shoe protection
- Breathable fabric enhances comfort during extended wear
- Non-slip sole provides secure grip on smooth surfaces
- Elasticated top ensures a snug and adjustable fit
- Disposable design facilitates efficient contamination management
- Lint free finish minimises debris transfer in controlled environments
- Dirt resistant surface guards floors, carpets and tiles
- Versatile performance for clean room and specialised tasks
