

Description

Rocket Steel Twist Knot Conical Brush 75mm x M6 is a silver, steel twist knot conical brush designed for precise and efficient cleaning tasks. It offers high-speed performance up to 15000 RPM, utilising robust steel wire that delivers consistent, controlled material removal. Its versatile design and durable build are advantageous for trade professionals requiring reliable, high-quality results in a range of cleaning or finishing applications across various settings.

Features

- Engineered steel bristles deliver precision cleaning performance
- Twist knot design supports consistent operation at high speeds
- Suitable for indoor and outdoor cleaning applications
- Conical shape enhances access to complex surface geometries
- Silver finish reduces friction and improves operational smoothness
- Handles speeds up to 15000 RPM for rigorous cleaning tasks
- Steel wire style maintains durability during heavy usage
- Compact design optimises manoeuvrability in confined spaces

Product Code: RBGZ75G
