

Description

Easyroll 100mm Red Urethane Swivel Plate S5 Series Castor 220kg is engineered for reliable mobility and precision handling of heavy loads up to 220kg. Constructed with polypropylene wheel cores, dual raceways and precision bearings, the castor provides robust performance and smooth manoeuvrability. Its steel housing and plate swivel design facilitate efficient movement in trade applications, ensuring seamless operations and enhanced productivity in demanding work settings.

Features

- Robust steel housing ensures lasting structural strength
- Precision steel bearings deliver controlled, dependable rotation
- Dual raceway system enhances stability during movement
- Plate swivel attachment enables secure and flexible mounting
- Polypropylene wheel core reduces wear and maintains performance
- Polyamide urethane outer ensures smooth, long-lasting movement
- Red, white and silver finish supports clear product identification
- Engineered by Easyroll for strength and practical reliability

Product Code: S52AS50R100

Specifications

Outdoor Use	No
Indoor Use	No
Bearing Type	Precision Bearing
Raceway Type	Dual
Attachments	Plate Swivel
Appearance	
Product Colour	Red/White/Silver
Construction	
Wheel Core Material	Polypropylene
Wheel Material	Polypropylene
Housing Material	Steel
Bearing Material	Steel

Weights

Product Weight (grams)	824
Product Weight (kg)	0.824
Load Capacity kg	220.0

Dimensions

Product Length mm	145
Product Width mm	59
Product Height mm	128
Wheel Diameter	80
Tread Width mm	33
Swivel Radius mm	92
Mounting Hole Dimensions mm	18x9
Plate Dimensions mm	100x85
