

## Description

Precision Brand Steel Shim in a Box 12"x120"x0.005" 1008 to 1010 Steel provides a reliable shim roll solution for precision alignment tasks. Constructed from 1008 to 1010 full hard steel with a silver finish, it offers practical advantages in measurements and adjustments. Its sturdy design and compact storage format support accurate deployment in controlled environments, assisting professionals with precise gap management in engineering and technical projects.

## Features

- Precision Brand shim roll engineered for accurate shimming adjustments
- Fabricated from 1008 to 1010 full hard steel
- Dimensions measure 12 x 120 x 0.005 inches
- Silver finish offers clear professional identification
- Engineered precision ensures reliable alignments
- Simple design facilitates fast accurate shimming
- Box design protects steel shim integrity during storage
- Designed for practical use in controlled indoor applications

**Product Code: SHIM16330**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
Unit of Measure	Imperial

## Appearance

Product Colour	Silver
