

Description

Precision Brand Steel Shim in a Box 6"x100"x0.008" 1008 to 1010 Steel is a precise solution designed for careful adjustments in technical applications. The Silver shim roll, made from 1008 to 1010 full hard steel, delivers consistent measurement reliability for alignment tasks and fine spacing work. Its compact, roll-in-a-box design provides easy handling and storage, supporting users in achieving accurate setups essential for maintenance and fabrication projects in trade environments.

Features

- Constructed from 1008 to 1010 full hard steel
- Precision engineered shim roll stored in a compact box
- Accurate dimensions of 6 x 100 x 0.008 inches specification
- Silver finish offers a clean, professional visual appeal
- Engineered for precise shim placement and easy measurement
- Compact design saves workspace and simplifies handling
- Manufactured with imperial measurements for accurate fitting
- Reliable performance ensures consistent shim positioning and calibration

Product Code: SHIM16395

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
Unit of Measure	Imperial

Appearance

Product Colour Silver

Construction

Product Material 1 1008 to 1010 Full Hard Steel

Weights

Product Weight (grams)	689.47
Product Weight (kg)	0.68947

Dimensions

Product Width (IN)	6
Product Length (IN)	100
Thickness (mm)	0.203
Thickness (IN)	0.008
Tolerance (mm)	+/- .019
