

Description

Precision Brand Brass Shim 12"x120"x0.004" is a brass shim roll in a box composed of 260 Half Hard Brass with an imperial measurement specification. It provides precise spacing and alignment for assembly and trade tasks. Suitable for both indoor and outdoor use, it supports accurate adjustments in construction and maintenance applications. The design optimises handling and storage, offering a reliable solution for professionals seeking consistent performance in precision measurements.

Features

- Constructed using durable 260 Half Hard Brass
- Brass finish offers inherent resistance against moisture and rust
- Compact roll design simplifies storage in a box
- Roll measures 12x120 with 0.004-inch thickness
- Operable in indoor and outdoor settings
- Precision engineered roll ensures consistent shim spacing
- Enclosed box design maintains clean, organised shim presentation
- Brass build provides longevity with minimal maintenance needs

Product Code: SHIM17275
