

Description

Precision Brand Brass Shim 6"x100"x0.008" is designed for precise gap adjustments and accurate alignments in advanced technical applications. Constructed from 260 Half Hard Brass, the shim roll in a box provides predictable dimensions for effective fitting adjustments. Suitable for indoor and outdoor use, it optimises space in trade settings and enhances assembly accuracy. The box format simplifies storage and ensures consistency for regular use.

Features

- Manufactured using 260 Half Hard Brass material for lasting stability
- Brass shim roll housed in a durable, compact storage box
- Dual indoor outdoor use offers versatile application range
- Compact design streamlined for easy setup and installation
- Precision Brand quality ensures consistent fit and performance
- Roll dimensions listed as 6"x100" for accurate adjustments
- Ultra-thin shim at 0.008 inch delivers fine calibration
- Reliable construction improves workflow efficiency and task precision

Product Code: SHIM17370
