

Description

Precision Brand Shim in a Box 6"x50"x0.005" 302 Stainless Steel provides an engineered shim roll in a box designed for precise measurement adjustments. It incorporates robust 302 stainless steel to ensure durability and dimensional consistency in various applications. The compact design facilitates accurate spacing and alignment, supporting trade professionals in achieving reliable results. The product is suited for both indoor and outdoor use, making it a practical solution across multiple technical environments.

Features

- Manufactured from 302 stainless steel for reliable durability
- Precision engineered for repeatable shim matching
- Silver finish ensures clear identification and tracking
- Compact box design promotes efficient storage and access
- Suitable for both indoor and outdoor applications
- Roll format provides a continuous supply of shims
- Imperial measurements ensure precise fit during installation
- Engineered for stable stacking and practical handling

Product Code: SHIM22220

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Unit of Measure	Imperial

Appearance

Product Colour	Silver
----------------	--------

Construction

Product Material 1	302 Stainless Steel
--------------------	---------------------

Weights

Product Weight (grams)	252.2
Product Weight (kg)	0.2522
