

Description

Precision Brand Stainless Steel Shim in a Box 6"x50"x0.010" 302 Stainless Steel is designed for precise calibration tasks and measurement adjustments across various projects. Constructed from 302 stainless steel, its design ensures durability and consistent shim performance. The product provides practical value by helping trade professionals achieve accurate tolerances and reliable fittings in technical applications both indoors and outdoors.

Features

- Construction from durable 302 stainless steel for precision use
- Compact shim roll packaging in a secure organised box
- Dual indoor and outdoor applicability for versatile usage
- Silver finish enhances visibility and corrosion resistance
- Packaged in imperial units for practical application
- Engineered for precise shimming in tight dimensional spaces
- Constructed for reliability with minimal maintenance needs
- Designed to save time with ready-to-use shims

Product Code: SHIM22320
