

Description

Precision Brand Shim in a Box 6"x50"x0.015" 302 Stainless Steel. This shim roll, precision cut from 302 stainless steel with a silver finish, offers a reliable solution for accurate adjustment and alignment in mechanical assemblies. Its uniform shims provide dependable and consistent gap management that supports efficient component fitting. Designed for trade professionals and engineers, the product delivers a practical approach for precise measurements and adjustments in various technical applications.

Features

- Constructed from durable 302 stainless steel
- Slim silver finish for precision matching
- Box contains shim roll for versatile adjustments
- Suitable for indoor and outdoor applications
- Imperial unit of measure provides accurate specifications
- Compact packaging simplifies on-site storage and handling
- Engineered for precision cuts and easy alignment
- Reliable design streamlines measurement adjustments

Product Code: SHIM22365
