

## Description

Precision Brand Slotted Shim 6x6x2" x0.010" is manufactured from 300 stainless steel with a silver finish. Its slotted design allows for precise positioning during assembly and fine adjustment tasks. Engineered for accurate thickness control, it serves as a dependable component in alignment processes. The product offers tangible technical advantages that benefit industrial and trade professionals seeking reliable and reproducible results in critical applications.

## Features

- Made from robust 300 stainless steel
- Precision engineered slotted design for accurate adjustments
- Resistant silver finish withstands outdoor elements
- Suitable for indoor and outdoor applications
- Controlled imperial measurements ensure precise fitting
- Slim profile supports space-efficient use in assemblies
- Engineered for repeatable accuracy in complex setups
- Precision Brand quality built into every slotted shim

**Product Code: SHIM42605**

## Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Unit of Measure	Imperial

## Appearance

Product Colour	Silver
----------------	--------

## Construction

Product Material 1	300 Stainless Steel
--------------------	---------------------

## Weights

Product Weight (grams)	68.04
Product Weight (kg)	0.06804

## Dimensions

Product Width (IN)	6
Product Length (IN)	2
Slot Depth (IN)	2
Thickness (mm)	0.025
Thickness (IN)	0.01
Tolerance (mm)	+/- .006
