

Precision Brand Slotted Shim 75x75mmx0.050mm 22mm 300 Stainless Steel - 10 Piece

Description

Precision Brand Slotted Shim 75x75mmx0.050mm 22mm 300 Stainless Steel - 10 Piece is manufactured from 300 Stainless Steel with a slotted design engineered for precision alignment and spacing applications. It is crafted for reliable use in both outdoor and indoor settings and utilises metric dimensions to ensure exact tolerances in assembly tasks. The shim provides technical clarity and measurable uniformity, making it a dependable tool for trade professionals seeking accurate adjustment solutions.

Features

- Constructed from 300 stainless steel for lasting durability
- Precisely engineered dimensions for accurate component alignment
- Slotted design allows versatile adjustment in assembly-based applications
- Silver finish enhances appearance and resists corrosion outdoors
- Metric measurement supports precise engineering calculations and installations
- Reliable design streamlines component integration for custom assemblies
- Compact form factor facilitates space-efficient design and mounting solutions
- Precision BRAND quality ensures reliable performance for technical projects

Product Code: SHIM81310
