

Precision Brand Slotted Shim 100x100mmx0.10mm 32mm 300 Stainless Steel - 10 Piece

Description

Precision Brand Slotted Shim 100x100mmx0.10mm 32mm 300 Stainless Steel - 10

Piece is a component engineered for exact alignment and gap adjustment tasks.

Manufactured in 300 stainless steel, it offers reliable performance in measurement and positioning applications. The product provides consistent support for machine adjustments and is designed for use in maintenance and engineering projects. Its dimensions and configuration meet metric measurement standards required by trade professionals.

Features

- Precision engineered slotted shims for reliable spacing adjustments
- Fabricated from high-grade 300 stainless steel with silver finish
- Suitable for both indoor and outdoor applications
- Precisely dimensioned with 10-piece packaging for controlled projects
- Measuring 100x100mm with 0.10mm thickness and 32mm slot
- Metric sizing supports exact engineering specifications and tolerances
- Uniform material maintains durability and corrosion resistance
- Simple installation provides quick adjustments for component alignment

Product Code: SHIM81415

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Unit of Measure	Metric

Appearance

Product Colour	Silver
