

Precision Brand Slotted Shim 100x100mmx0.25mm 32mm 300 Stainless Steel - 10 Piece

Description

Precision Brand Slotted Shim 100x100mmx0.25mm 32mm 300 Stainless Steel - 10

Piece is a precisely crafted shim designed for accurate alignment and gap compensation. It is manufactured from 300 stainless steel, offering durability and resistance to corrosion. The silver finish and slotted design support precise measurements and efficient assembly, making it ideal for trade professionals managing technical adjustments and ensuring component reliability in various applications.

Features

- 300 stainless steel construction for robust performance
- Precise slotted design for accurate alignment
- Silver finish reduces visual distraction and enhances usability
- Adapted for outdoor and indoor installation
- Metric dimensions simplify measurement and application
- Uniform thickness maintains consistent tolerances
- Cost-effective packaging with ten pieces per pack
- Engineered for reliable performance in precision applications

Product Code: SHIM81425
