

Precision Brand Slotted Shim 100x100mmx0.40mm 32mm 300 Stainless Steel - 10 Piece

Description

Precision Brand Slotted Shim 100x100mmx0.40mm 32mm 300 Stainless Steel - 10 Piece is a precision-engineered shim designed for accurate alignment and tolerance adjustments in assembly and repair applications. The silver shim features a robust construction from 300 stainless steel and metric dimensions that ensure consistent performance. Its exact measurements and durable design provide reliable support for professionals demanding precision and reliability in component fitting and adjustment tasks.

Features

- Manufactured in durable 300 stainless steel for longterm performance
- Slot design supports adjustable alignment with precise fit
- Compact dimensions allow convenient integration into assemblies
- Suitable for interior and exterior platform adjustments
- Engineered for precise secure component installation
- Finished in silver and measured metrically for convenience
- Light weight shims simplify assembly alignment adjustments
- Ten-piece packaging streamlines efficient batch processing

Product Code: SHIM81430
