

Description

SIT Slim Stainless Steel Hand Brush is a robust steel hand brush featuring a stainless steel brush material with a silver and green finish. It utilises a crimped wire style for efficient removal of stubborn residues, delivering reliable performance during regular maintenance tasks. The product is designed for both indoor and outdoor use, providing industrial and trade professionals with a durable cleaning tool that combines effective cleaning action with long-lasting construction.

Features

- Stainless steel bristles deliver durability and lasting performance
- Crimped wire construction ensures consistent cleaning contact on surfaces
- Robust silver-green finish provides distinct professional visual appeal
- Dual-use design supports indoor and outdoor cleaning tasks
- Engineered for efficient removal of stubborn grime and debris
- Lightweight structure facilitates precise manoeuvrability and user control
- Engineered stainless material withstands outdoor conditions without compromise
- Crafted for easy maintenance and extended cleaning life
