

Description

SIT Spid Stainless Steel Hand Brush provides a robust cleaning solution utilising stainless steel brush material and crimped wire for consistent performance. The silver/green finish offers a practical appearance suited for both indoor and outdoor maintenance tasks. It is engineered for precise cleaning applications, assisting trade professionals in managing debris and residues efficiently. The design optimises functionality and durability, delivering a reliable tool for various commercial cleaning and upkeep scenarios.

Features

- Constructed with corrosion resistant stainless steel for reliable cleaning
- Crimped wire design targets stubborn grime removal
- Suitable for both indoor and outdoor applications
- Ergonomic hand brush design for comfortable manual operation
- Silver and green colour offers clear, attractive style
- Robust stainless steel bristles stand up to demanding scrub tasks
- Engineered for repeated use without performance decline
- Reliable hand brush engineered to exceed daily cleaning needs

Product Code: SPIDSS
