

Description

SIT Spid Steel Hand Brush is a precision-engineered tool featuring a robust steel construction and crimped wire design, optimised for effective cleaning tasks. It offers reliable performance in both indoor and outdoor settings, making it a valuable asset for professionals in the trade sector. The silver and red finish provides high visibility and durability, while the streamlined design facilitates efficient debris removal during routine maintenance and specialised cleaning operations.

Features

- Robust steel construction ensures longevity for demanding applications
- Crimped wire design provides reliable, consistent brush performance
- SIT branding assures consistent quality and engineering precision
- Suitable for both indoor and outdoor cleaning tasks
- Silver and red accents enhance product visibility and style
- Compact design suits varied workspaces and storage requirements
- Engineered for efficient hand brushing in diverse cleaning operations
- Lightweight frame facilitates easy handling and manoeuvrability

Product Code: SPIDSTEEL

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Wire Style	Straight Wire Filament

Appearance

Product Colour Silver/Red

Construction

Brush Material Steel
