

Easyroll Three Tier Plastic Trolley 150kg

Description

Easyroll Three Tier Plastic Trolley 150kg is a platform picking trolley designed for internal use. Constructed from polypropylene and aluminium, its robust yet lightweight structure supports efficient manoeuvring while ensuring a stable foundation for load handling. The plain bearings provide smooth movement and the inclusion of hardware facilitates a quick set-up. This product offers practical benefits to industrial and trade professionals, simplifying day-to-day operations with its reliable design and efficient performance.

Features

- Three-tier layout improves picking efficiency
- Polypropylene frame reinforced with aluminium for robust construction
- Agile plain bearing system ensures smooth movement
- Indoor design supports efficient warehouse handling
- Hardware supplied for quick and secure assembly
- 150kg capacity supports standard load management
- Ergonomic design ensures ease of manoeuvring
- Durable construction suits long term operational demands

Specifications

Bearing Type	Plain Bearing
Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes

Appearance

Product Colour	Grey/Black/Silver
----------------	-------------------

Construction

Frame Material	Polypropylene
----------------	---------------

Product Code: T3C150PL

Dimensions

Product Height (mm)	980
Product Width (mm)	491
Product Length (mm)	1060
Handle Height (mm)	980

Weights

Product Weight (kg)	11.95
Load Capacity (kg)	150.0
