Description

SIT Steel Crimped Cup Brush 70mm x M6 is constructed from steel with a crimped wire design, optimising cleaning and finishing functions. Its 70mm sizing and M6 thread secure a reliable fit on compatible machinery. The red and silver finish reflects its streamlined design, while an operating speed of up to 12000 RPM ensures effective performance for machining, repair, and surface preparation tasks encountered by trade professionals.

Features

- Durable red silver crimped cup brush with steel construction
- Usable indoors and outdoors in varied applications
- Crimped wire design promotes precise and durable cleaning
- Operates at 12000 rpm for high-speed cleaning tasks
- Brush dimensions 70mm cup size with M6 fit
- Engineered for precision cutting and reliable debris removal
- High-strength steel material ensures enduring performance and robust durability
- Crimped surface provides improved grip in demanding cleaning operations
