

## Description

Easyroll Folding Hand Truck 125kg is a convertible hand trolley designed for efficient handling of heavy loads. Its frame integrates polypropylene, steel and aluminium to provide a reliable structure complemented by a ball bearing system for smooth manoeuvring. The product includes complete hardware for immediate use, offering practical versatility for trade professionals managing logistics and transport tasks. Its adaptable design supports both indoor and outdoor applications, ensuring dependable performance on routine material movement projects.

## Features

- Convertible design provides flexible transport and storage options
- Integrated ball bearing system for smooth mobility
- Robust frame available in multiple durable materials
- Compact design supports handling up to 125kg load
- Folding mechanism facilitates quick setup and stowage
- Engineered hardware included for straightforward assembly
- Distinct silver, black and red finish improves product visibility
- Easy conversion streamlines transition between transport modes

**Product Code: TATA125**

## Dimensions

Product Height (mm)	1068
Product Width (mm)	523
Product Length (mm)	502
Handle Height (mm)	1068
Toe Plate Dimensions (mm)	502x348

## Weights

Product Weight (kg)	6.54
Load Capacity (kg)	125.0

## Specifications

Bearing Type	Ball Bearing
Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	Yes

## Appearance

Product Colour	Silver/Black/Red
