

## Description

Easyroll Folding Hand Truck 200kg is a convertible hand trolley designed for efficient material transportation. It features a robust polypropylene, steel and aluminium frame with ball bearing wheels that provide smooth mobility. The product accommodates both indoor and outdoor tasks and is supplied with all necessary hardware. Its design caters to the practical needs of trade professionals, offering versatility and reliable performance through precise engineering and quality construction.

## Features

- Convertible design for flexible handling and manoeuvrability
- Sturdy frame crafted from polypropylene, steel and aluminium
- High-quality ball bearings ensure smooth movement
- Suitable for both outdoor and indoor applications
- Robust hardware components support reliable load handling
- Ergonomic design offers user comfort during extended use
- Lightweight materials facilitate easy movement in varied settings
- Precision engineering delivers reliable performance in demanding tasks

**Product Code: TATA200**

## Dimensions

Product Height (mm)	1270
Product Width (mm)	607
Product Length (mm)	603
Handle Height (mm)	1281
Toe Plate Dimensions (mm)	601x403

## Weights

Product Weight (kg)	9.511
Load Capacity (kg)	200.0

## Specifications

Bearing Type	Ball Bearing
Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	Yes

## Appearance

Product Colour	Silver/Black/Grey
