

Easyroll Double Cylinder Trolley 150kg

Description

Easyroll Double Cylinder Trolley 150kg is a sturdy cylinder hand trolley designed for efficient load transport in various work settings. Constructed with a steel frame and equipped with roller bearings, it offers smooth manoeuvring and reliable performance. Its grey, black and silver finish provides a practical visual appeal. The trolley is developed to support heavy loads, making it a valuable tool for industrial and trade professionals seeking dependable performance for daily operations.

Features

- Durable steel frame for robust structure
- Dual cylinder design improves manoeuvrability
- Roller bearings ensure smooth movement and user friendly operation
- Suitable for both indoor and outdoor use
- Transport capacity up to 150kg for light load handling
- Clever design ensures easy and safe load rolling
- Three colour finish provides professional appearance and visibility
- High quality construction supports longevity and reliable performance

Product Code: TDCT200

Dimensions

Product Height (mm)	1020
Product Width (mm)	315
Product Length (mm)	600
Handle Height (mm)	1020
Toe Plate Dimensions (mm)	440x200
Gas Bottle Frame Internal Width (mm)	170

Weights

Product Weight (kg)	11.8
Load Capacity (kg)	200.0

Specifications

Bearing Type	Roller Bearing
Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No

Appearance

Product Colour	Grey/Black/Silver
