

Easyroll Heavy Duty Oxy Acetylene Trolley 250kg

Description

Easyroll Heavy Duty Oxy Acetylene Trolley 250kg is a robust hand trolley built with a durable steel frame and precision ball bearings. It offers a practical solution for transporting heavy equipment in both indoor and outdoor settings. The grey, black and silver finish ensures clear visual identification while contributing to a professional appearance. Designed for ease of manoeuvring and reliable performance, it supports efficient load handling and smooth operation for trade professionals.

Features

- Heavy-duty steel frame ensures strong and reliable support
- Ball bearing wheels provide smooth and precise manoeuvring
- Capacity of 250kg meets heavy load requirements
- Designed with grey black silver colour for a sleek look
- Engineered for durability in diverse working areas
- Smooth handles enable safe and controlled manoeuvring
- Robust design secures oxygen acetylene equipment storage
- Easily mobile trolley supports efficient transport between work locations
