

Description

Easyroll 200mm Cast Iron Fixed Plate TF Series Castor 600kg is a fixed plate caster designed with a plate swivel attachment and cast iron wheel components, including the wheel core and wheel. The housing and bearing are made of steel, utilising a roller bearing system with a single raceway. Its design supports both indoor and outdoor use, offering precise movement control and durability useful for industrial and trade professionals.

Features

- Constructed with durable cast iron wheel and core
- Features robust steel housing and steel roller bearings
- Plate mounting design ensures secure and stable attachment
- Single raceway design supports even load distribution
- Includes plate swivel attachment for versatile movement
- Heavy cast iron wheel construction enhances durability and performance
- Silver and blue finish provides distinctive visual appeal
- Easyroll TG Series trusted for dependable performance and quality

Product Code: TFG200CI15

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Roller Bearing
Raceway Type	Single
Attachments	Plate Swivel

Appearance

Product Colour	Silver/Blue
----------------	-------------

Construction

Wheel Core Material	Cast Iron
Wheel Material	Cast Iron
Housing Material	Steel
Bearing Material	Steel

Weights

Product Weight (grams)	5278
Product Weight (kg)	5.278
Load Capacity kg	600.0

Dimensions

Product Length mm	200
Product Width mm	105
Product Height mm	239
Wheel Diameter	200
Tread Width mm	45
Mounting Hole Dimensions mm	13x10.5
Hole Centre Dimensions mm	105x78
Plate Dimensions mm	130x105
