

Easyroll Heavy Duty Fridge Trolley 250kg

Description

Easyroll Heavy Duty Fridge Trolley 250kg is a practical refrigerator hand trolley designed for efficient handling of refrigerated goods. Featuring a sturdy steel frame and ball bearings for smooth operation, it supports both indoor and outdoor applications. The grey, black and silver finish provides clear visual identification, while its robust construction ensures dependable performance for trade professionals in various service environments. Its design focuses on ease of movement and durability in demanding operational circumstances.

Features

- Durable steel frame construction maximises stability and load support
- High-quality ball bearing wheels ensure smooth trolley manoeuvring
- Supports carrying weight up to 250kg safely
- Suitable for use indoors and outdoors
- Ergonomic design for controlled pushing and pulling
- Stable trolley structure lends reliability during item movement
- Corrosion resistant finish in grey, black and silver
- Easyroll brand quality promises longevity and practical performance
