

## Description

Easyroll Heavy Duty Hand Truck 250kg is a robustly engineered hand trolley constructed from durable steel with ball bearings for smooth movement. Designed for the efficient transport of heavy loads, it provides reliable handling for industrial trade professionals. The grey and black finish ensures a contemporary look, while its suitability for both indoor and outdoor use enhances its versatility on various worksites, contributing to streamlined material handling and improved operational efficiency.

## Features

- High load capacity rated at 250kg
- Robust steel frame for enhanced durability
- Smooth operation ensured by ball bearing mechanism
- Adaptable for indoor and outdoor applications
- Ergonomically designed for efficient manual handling
- Sturdy construction minimises maintenance requirements
- Lightweight design simplifies storage and manoeuvring
- Classic grey and black finish enhances visibility

**Product Code: THD250**

## Dimensions

Product Height (mm)	1310
Product Width (mm)	600
Product Length (mm)	510
Handle Height (mm)	1330
Toe Plate Dimensions (mm)	510x240

## Weights

Product Weight (kg)	20.65
Load Capacity (kg)	250.0

## Specifications

Bearing Type	Ball Bearing
Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No

## Appearance

Product Colour	Grey/Black
