

## Description

Easyroll Hydraulic Scissor Lift Table 227kg is a hydraulic scissor trolley designed for precise load adjustments within indoor settings. It features a durable steel frame and a ball bearing mechanism that promotes smooth manoeuvring and enhanced stability. The black and grey finish provides a professional look, while the included hardware ensures straightforward installation. Its controlled lifting capability offers practical benefits for trade professionals managing everyday operational tasks.

## Features

- Sturdy steel frame for reliable support and durability
- Hydraulic scissor mechanism provides smooth, controlled lifting operation
- Integrated ball bearing system minimises friction during movement
- Simple assembly with included hardware enhances setup convenience
- Compact design suits constrained indoor spaces benefiting utilisation
- Easy navigation with stable and balanced trolley configuration
- Ergonomic handle facilitates precise position adjustments during operation
- Durable black and grey finish complements professional workspace aesthetics

**Product Code: THLT227**

## Dimensions

Product Height (mm)	1270
Product Width (mm)	450
Product Length (mm)	710
Handle Height (mm)	900

## Weights

Product Weight (kg)	41
Load Capacity (kg)	225.0

## Specifications

Bearing Type	Ball Bearing
Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes

## Appearance

Product Colour	Black/Grey
----------------	------------

## Construction

Frame Material	Steel
