

Description

Easyroll Hydraulic Scissor Lift Table 455kg is a hydraulic scissor trolley constructed with durable steel and equipped with ball bearings for smooth, reliable movement. It is designed for lifting and positioning heavy equipment and materials in trade applications that require precision handling. The product includes all necessary hardware for installation and offers a straightforward design that ensures efficient load management and portability.

Features

- Durable steel frame ensures long-lasting structural support
- Hydraulic scissor design provides smooth vertical movement
- Compact design suits limited indoor workspace
- Integrated ball bearings facilitate effortless wheel rotation
- Black and grey finish offers professional visual appeal
- Complete hardware set simplifies installation and maintenance
- Tested hydraulic system delivers reliable lifting performance
- Rated for loads up to 455kg for heavy-duty tasks

Product Code: THLT455

Dimensions

Product Height (mm)	235
Product Width (mm)	500
Product Length (mm)	812
Handle Height (mm)	1000

Weights

Product Weight (kg)	74
Load Capacity (kg)	450.0

Specifications

Bearing Type	Ball Bearing
Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes

Appearance

Product Colour	Black/Grey
