

Easyroll Light Duty P Handle Trolley 150kg

Description

Easyroll Light Duty P Handle Trolley 150kg is constructed with a durable steel frame and precision ball bearings, offering reliable load transport up to 150kg. It supports both indoor and outdoor use and serves trade professionals by providing a practical solution for moving equipment and materials efficiently. Its straightforward design promotes ease of manoeuvre and durability during routine handling tasks, making it a valuable tool in various commercial applications.

Features

- 150kg load capacity supports lifting and manoeuvring applications
- Steel frame ensures durability and stable load carriage
- Ball bearing wheels guarantee smooth and quiet movement
- Designed to support smooth transfers indoors and outdoors
- P handle design improves operator control during movement
- Compact design allows storage in confined spaces and easy transport
- Precision engineering reduces friction for effortless operation
- Engineered for simple integration into various workflow routines

Product Code: TPH150

Dimensions

Product Height (mm)	1310
Product Width (mm)	490
Product Length (mm)	520
Handle Height (mm)	1310
Toe Plate Dimensions (mm)	350x230

Weights

Product Weight (kg)	9.75
Load Capacity (kg)	150.0

Specifications

Bearing Type	Ball Bearing
Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No

Appearance

Product Colour	Grey/Black/Silver
