

Description

Easyroll Warehouse Picking Trolley 220kg is engineered for efficient tub picking operations in busy warehouse settings. It features a refined steel frame, grey finish and reliable ball bearing assembly that ensures smooth manoeuvrability. Trade professionals benefit from its robust build and included hardware, which facilitate precise and organised picking routines. This practical trolley delivers consistent performance and ease of handling in indoor applications.

Features

- Sturdy steel frame supports robust load handling
- Ball bearing wheels provide smooth and precise motion
- Supports up to 220kg for high-volume tasks
- Designed for quick tub selection and transport
- Compact footprint maximises workspace utilisation
- Hardware supplied for straightforward assembly and immediate use
- Grey finish offers low-maintenance appearance
- Engineered in British style for reliable performance

Product Code: TPT100

Dimensions

Product Height (mm)	900
Product Width (mm)	470
Product Length (mm)	900
Handle Height (mm)	990

Weights

Product Weight (kg)	14.55
Load Capacity (kg)	100.0

Specifications

Bearing Type	Ball Bearing
Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
