

Description

Easyroll Steel Board Trolley 800kg is a platform trolley constructed with a robust steel frame and plain bearings for efficient movement. It is designed for professionals managing the transport of goods, providing consistent performance and ease of use in trade and industrial settings. The grey finish enhances its practical appearance while the included hardware facilitates assembly and maintenance, ensuring a reliable solution for everyday operational tasks.

Features

- High capacity trolley supporting loads up to 800kg
- Durable steel frame provides robust structural support
- Plain bearing design ensures smooth movement
- Platform design facilitates secure material transport
- Practical grey finish complements diverse workspace aesthetics
- Crafted with quality hardware included for reliable operation
- Efficient design supports easy manoeuvrability indoors
- Engineered with precise specifications for professional use

Product Code: TSBT800

Dimensions

Product Height (mm)	100
Product Width (mm)	750
Product Length (mm)	930
Handle Height (mm)	800

Weights

Product Weight (kg)	0.0437
Load Capacity (kg)	1000.0

Specifications

Bearing Type	Plain Bearing
Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes

Appearance

Product Colour	Grey
