

## Description

Colson 150mm Cast Iron Swivel Plate TS Series Castor 600kg is engineered with a stainless steel housing and precision bearings to support heavy load transport. The unit features a cast iron wheel with a nylon core and dual raceway design that ensures smooth operation indoors and outdoors. The silver/blue plate mount assembly with a rigid plate attachment provides practical manoeuvrability and reliable performance for industrial and trade professionals.

## Features

- Stainless steel housing for structural durability and consistent performance
- Cast iron wheels coupled with dual raceway for smooth roll
- Precision bearings deliver accurate swivel motion with reliable tracking
- Nylon wheel and core provide steady rolling performance and longevity
- Reinforced plate mount ensures secure attachment to equipment
- Suitable for both indoor and outdoor applications
- Durable materials and robust construction withstand continuous operational demands
- Colson engineered design ensures reliable mobility and performance

**Product Code: TSG150C115**

## Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Precision Bearing
Raceway Type	Dual
Attachments	Plate Rigid
<b>Appearance</b>	
Product Colour	Silver/Blue
<b>Construction</b>	
Wheel Core Material	Nylon
Wheel Material	Nylon
Housing Material	Stainless Steel
Bearing Material	Stainless Steel

## Weights

Product Weight (grams)	4600
Product Weight (kg)	4.6
Load Capacity kg	600.0

## Dimensions

Product Length mm	142
Product Width mm	59
Product Height mm	190
Wheel Diameter	127
Tread Width mm	45
Swivel Radius mm	123
Mounting Hole Dimensions mm	14x11.3
Plate Dimensions mm	130x105
