

## Description

Easyroll Steel Platform Hand Trolley 900kg is constructed from high-strength steel with a grey finish and fitted with quality ball bearings for smooth transport. Designed for efficient movement of heavy loads, it offers practical advantages in logistics and warehousing tasks. Its complete hardware package and dual indoor and outdoor usability provide reliable operation, making it a beneficial tool for industrial and trade professionals seeking robust and straightforward mobility solutions.

## Features

- Steel frame offers robust structural support
- Ball bearing wheels ensure smooth low friction movement
- Designed for indoor and outdoor operations
- Platform design provides stable load area
- Includes complete hardware for immediate assembly
- Grey finish conceals signs of usage
- High precision bearings minimise rolling resistance
- Easyroll quality and ergonomic design improve handling

**Product Code: TSPT900**

## Dimensions

Product Height (mm)	1530
Product Width (mm)	760
Product Length (mm)	1220
Handle Height (mm)	865

## Weights

Product Weight (kg)	26
Load Capacity (kg)	900.0

## Specifications

Bearing Type	Ball Bearing
Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	Yes

## Appearance

Product Colour	Grey
----------------	------

## Construction

Frame Material	Steel
