

Description

Easyroll Heavy Duty Sack Trolley 250kg is designed for the transport and manoeuvrability of heavy loads in warehouses and trade settings. The trolley features a robust steel frame and ball bearing wheels to provide smooth movement and enduring stability. Its grey, black, and silver finish underlines a practical, durable design that enhances load handling efficiency for professionals seeking reliable, precise performance in everyday logistical tasks.

Features

- Heavy duty steel frame offers durability and strength
- Ball bearings ensure smooth handling across varied surfaces
- Suitable for both indoor and outdoor manual transport
- Modern grey, black and silver design enhances product visibility
- High load capacity supports up to 250kg weight
- Easyroll brand ensures reliable performance and practical design
- Durable construction supports frequent heavy duty sack handling
- Compact design simplifies storage and manoeuvring in confined spaces

Product Code: TST250

Dimensions

Product Height (mm)	1165
Product Width (mm)	510
Product Length (mm)	615
Handle Height (mm)	1170
Toe Plate Dimensions (mm)	430x230

Weights

Product Weight (kg)	11.05
Load Capacity (kg)	250.0

Specifications

Bearing Type	Ball Bearing
